

## Electronic Disclosure for Retirement Plan

August 10, 2021

Retirement plan participants,

Starting in 2020, employers are now allowed to post retirement plan disclosures online. In order to save time and mailing costs, P.U.D. No. 1 of Okanogan County will provide future retirement plan documents on our website at [www.okanoganpud.org/contact-us/employee-information](http://www.okanoganpud.org/contact-us/employee-information). All participants will be emailed notice each time a new covered document is made available for review on the internet website.

As a participant in our retirement plan you have the right to paper. You may request paper copies of specific documents, or globally opt out of electronic delivery entirely, at any time, free of charge.

### Opt Out

Please print, sign and return to HR

I wish to opt out of future electronic deliveries. All future disclosures will be sent to the mailing address on file.
